## ADDRESSING LANGUAGE NEEDS OF INDIVIDUALS AND BUSINESS CLIENTS

► Bilingva is an emerging leader in the market of language services. We specialize in all forms of translation and interpreting, as well as other services like language training and cross-cultural consulting.

► No client is too big or too small for us. Bilingva has established close ties with the business community in California providing services to small and large companies, and individual clients in a wide range of industries.

► Our success is based on the team of professional linguists, individual approach, and thorough management of each and every project.
